

QUALITY AND ENVIRONMENT POLICY

Sonamet is committed to the following intent and guidance:

- To contribute to **business sustainability** by creating value and ensuring corporate environmental sustainability;
- Set **objectives** to ensure the company leading position at national Oil & Gas Industry, and to promote the pollution prevention;
- To fulfil our **compliance obligations**;
- Ensure **people** are aware that their responsibilities and actions are aligned to the company **strategy** and **interested parties**, and contribute to achieve the **business objectives**;
- Develop permanent efforts to identify **business improvement** opportunities and to ensure the continual improvement of Quality and Environment Management Systems in order to enhance their performance;
- Enable **decision-making** based on evidences to identify and prevent potential undesired outcomes arising from our activities which may pose impacts on biodiversity, climate change, air and water quality, and the sustainable use of resources.

A handwritten signature in black ink, appearing to be 'José A. Barroso', written over a horizontal line.
